CATERITE'S SAUSAGE AND BURGER GUIDE 2019

Welcome to Caterite's sausage and burger guide 2019. Here you will find our new range of specialty sausages and burgers from pork & apple to beef & tomato. We now have a large variety of locally produced products available for you to choose from, perfect for your Spring and Summer menus.

After acquiring Highgate meats of Troutbeck and completing the transition to our new EC approved butchery facility, we are happy to say that we now stock over 500 freshly prepared meat products, we have been accredited 'BRC AA grade' and have an ever growing team of 15 Butchers.

We also have a brand new advanced sausage production facility at Caterite, which produces over 5 tonnes of sausage a week, and has two dedicated Sausage Butchers, John and Chris.

They are the creators and brains behind the famous Cocklakes sausage recipe, known for its quality, specially selected ingredients and unique taste. Don't worry there are no plans to change this and we will continue to produce all of our specialty sausages on site at Caterite.

I hope you enjoy all the new and exciting things happening at Caterite, and the improved fresh service we now offer.

'MEAT' OUR SAUSAGE BUTCHERS WITH OVER 56 YEARS COMBINED EXPERIENCE

Chris and John the Sausage Butchers

JOHN | SAUSAGE BUTCHER

John has been making sausage at Highgate for just over 8 years. He is the original guy behind the recipe and can answer any questions you need to know about the production of sausages. Previous to sausage making John started his career slaughtering and butchering chickens and turkeys for over 24 years.

Petrol head by heart John enjoys Motorsport and cycling in his spare time.

FAVOURITE CUT OF MEAT: Silverside Beef

CHRIS | SAUSAGE BUTCHER

Chris, John's right hand man, joined Highgate only 3 years after the sausage production unit started. He has been working for Highgate for over 5 years. He previously worked in the slaughter and butchery industry for 19 years, giving him 24 years experience in the trade.

With his love for the Lake District and outdoors, Chris enjoys walking and spending time in the fresh air.

FAVOURITE CUT OF MEAT: Sirloin Steak

DID YOU KNOW?

We have been awarded "AA Grade BRC Certification 2019". For the sixth consecutive year Caterite Food and Wineservice Ltd Butchery processing plant has been certified by the British Retail Consortium (BRC), a leading trade association. This year, Caterite exceeded the standard rating of "A grade" with a rarely awarded "AA" Rating!

This was no 15-minute or hour-long inspection; this was a two-day audit that took into account every stage in the processing, packing and distribution of Caterite fresh meat, game and poultry products.
