About Producer	Mirius is a global manufacturer and supplier of cleaning, hygiene, and infection control products. Based in the UK, Mirius (formerly Coventry Chemicals) has been in operation for over 50 years, offering a wide range of products for various sectors, including healthcare, hospitality, agriculture, and industrial markets. The company specializes in formulating disinfectants, detergents, and cleaning solutions for both domestic and professional use. Mirius is known for its commitment to sustainability and innovation, providing eco-friendly products under its Super Professional and Animal Health brands, among others. The company also places a strong emphasis on compliance with regulatory standards, ensuring its products meet strict quality and safety guidelines.

Directions for use

Read entire label before using product. Remove loose soiling from the area to be cleaner. Spray onto a cloth or directly onto the surface until thoroughly wet. To ensure disinfection leave on for 5 minutes before wiping. Rinse all food contact surfaces with water after use. Dry area with a clean paper towel or cloth.

Storage Instructions

Do not decant. Store in original container in a dry, cool place and dark place.
