This bread mix also meets the school nutrition guidelines. Conforms to 2024 Salt Guidelines.

SKU	56187
Description	This convenient Bread Mix is designed for effortless baking with just the simple addition of water. Whether you're craving fluffy bread rolls or hearty loaves, this mix simplifies the process, ensuring consistently delicious results every time. This bread mix also meets the school nutrition guidelines. Conforms to 2024 Salt Guidelines.
About Producer	Country Range brand provides you with a value for money proposition without any need to compromise on taste or quality. The quality, consistency and affordability of our products makes the Country Range brand widely regarded as the best in foodservice.
Directions for use	Place required amount of mix (see table on pack) in a mixing bowl. Add suggested amount of water and mix using a dough hook for 3 minutes on speed 1. Switch to speed 2 and mix for a further 6 minutes, or until the dough is smooth. Divide the dough into the required size (2oz for rolls, 1lb for loaves recommended) and mould. If the dough is too sticky to handle, a little flour may be added. Leave to rest for about 5 minutes covered with polythene or a damp cloth. Remould into the required shape and place in a greased tray or in a loaf tin. Glaze the top with egg or milk. Cover the tray with polythene or a damp cloth, trying to not touch the surface of the dough. Place the tray in a warm place (or in a prover) for at least 30 minutes or until dough has doubled in size. BAKING INSTRUCTIONS: Bake at 180 - 190°C/355-375°F for 9 minutes for rolls, or 25-30 minutes for loaves. These instructions are intended as a guide and may require changes to fit individual conditions.
Allergen Statement	May contain SOYA.
Accreditation, Certification and Assurance Schemes	BRCGS Certified Production, Roundtable of Sustainable Palm Oil (RSPO)
Energy (Kcal)	377.0000
Energy (KJ)	1595.0000
Fat	2.8000
of which saturates	0.8000
Fibre	3.5000
