| Description | Fresh Chicken Stock, carefully crafted from locally sourced UK bones, vibrant vegetables, aromatic herbs, and pristine spring water. Each batch undergoes a slow and careful cooking process, allowing the flavours to develop, resulting in a beautifully clear and intensely flavourful stock. |
| About Producer | TRUEfoods make and sell fresh stocks made without compromise by using traditional culinary principles, 100% British sourced bones, a direct source of filtered spring water, and carefully sourced UK vegetables. Only pure, natural ingredients are used-no flavour enhancers or life extending ingredients. |
| Directions for use | Empty contents in to a saucepan. Heat over a moderate to high heat stirring occasionally. |
