About Producer	<p>Pip & Nut Ltd is a UK-based company known for its high-quality, natural nut butters. Founded in 2015 by Pip Murray, the brand's mission is to make nut butter accessible, delicious, and healthy. Their products are made from simple, ethically sourced ingredients, with a focus on sustainability and promoting a healthier lifestyle. Pip & Nut's range includes a variety of nut butters such as peanut, almond, and cashew, all of which are crafted without added sugars or palm oil. The company places a strong emphasis on sustainability, using recyclable packaging and sourcing ingredients with an ethical approach.</p>
