About Producer	Caterite's specialist butchery division offers an exceptional range of fresh, high quality meat, poultry and game in a choice of cuts to satisfy all of our customer requirements. We can provide full traceability and demand the highest standards of hygiene and safety. We are proud to announce that during our most recent audit, our butchery was awarded a BRC Grade A for the production of meat products.
Why Buy from Caterite?	At Caterite we produce a large range of handmade sausages including the traditional Cumberland Curl, Pigs in Blankets and Sausage Meat for Stuffing. We produce over 5 tonnes of sausage a week, and employ two dedicated butchers who are the creators and brains behind our famous sausage recipes, known for their quality, specially selected ingredients and unique taste.
