Description	The original and genuine. Since 1837 Lea and Perrins have been making their famous sauce with an expert blend of ingredients that take a full 18 months to mature to give it that unique full flavour that enriches your meals.
About Producer	Lea & Perrins first launched in Worcester back in 1837, when local chemists John Wheeley Lea and William Henry Perrins concocted a new condiment which, after 18 months, they found had matured into a delicious sauce. So delicious in fact that they decided to put it on sale. Today, Lea & Perrins' famous sauce is exported to over 130 countries around the world, where it has become a much loved staple in kitchens, restaurants, hotels and bars. It remains as popular today as it ever has been, and is still lovingly made in Worcester in very much the same way as it was when first sold in 1837.
