

# Mushrooms Cèpes (Frozen)

## Product Images

## Description

Cèpes, also known as porcini mushrooms, are highly regarded in culinary circles for their robust, earthy flavour and meaty texture. These mushrooms are native to various parts of the world and are especially revered in European cuisine, particularly in Italian and French cooking. Characterised by their thick, sturdy stem and a cap that ranges from light to dark brown, cèpes have a rich, nutty taste with an earthy aroma that intensifies when cooked.

About Producer	<p>Have you considered using our prepared fruit and vegetable range? Caterprep is part of the Caterite family and was formed in 2018 and currently produces over 200 different ready to use prepared lines to help busy chefs save time and money in the kitchen, without compromising on quality, specification or freshness. The team is made up of a mixture of chefs, kitchen and manufacturing experienced members, who help us deliver the product range our customers are looking for. Operating 24 hours a day we ensure that the products our customers receive are as fresh as possible. Prepared product offering is all about service, and this along with product quality is top of the agenda for the Caterprep team. Make use of our vast distribution network and service where orders can be placed up to midnight for next day delivery.</p>
Ingredient Sourcing	<p>We source our fresh produce direct from suppliers locally and globally, most of which are growers and exporters, this ensures fresh quality produce and better delivery. When choosing suppliers, it is not only the product quality we care about but the way they source their products, how they treat their suppliers and the environment. We always check their accreditations, assurance certificates and whether they comply with ETI (Ethical Trading Initiative).</p>

## About Supplier

Caterite stock over 350 lines of fresh fruit and vegetables ranging from all the basics, to micro herbs, edible flowers, seasonal greens, salad essentials and exotics. Through our customer base we have developed and grown the range over a number of years, and now offer the most expansive and accessible fresh produce range in Cumbria. Over fifty percent of our business is fresh, so we understand the importance of availability, quality and price. Unlike most other wholesalers, we purchase direct from growers or farmers in the UK and Europe. We have a produce hub in Lancashire where all of our local and nationwide sourced goods from farmers and growers are collated and then delivered daily directly to our depot. From field to Caterite and to our customers in less than 24 hours, it just does not get any fresher.
