| Description | <p>Turkey steaks, expertly crafted from tender turkey breast. Sliced into thin cuts for effortless cooking, these steaks offer the same delectable flavour and juicy tenderness as their thicker counterparts. Prepared with care by our Specialist Butchers on site, each steak promises quality and convenience.</p> <p>Caterite's specialist butchery division offers an exceptional range of fresh, high quality meat, poultry and game in a choice of cuts to satisfy all of our customer requirements. We can provide full traceability and demand the highest standards of hygiene and safety.</p> |
| About Producer | <p>Usk Vale are proud to offer superb quality British poultry that is home produced in the rolling, green Monmouthshire countryside. Each Bird can be traced back to one of their experienced and caring Farmers; this full traceability includes identifying the original farm which supplied the hatchery.</p> |
| Ingredient Sourcing | <p>Please note all nutritional values are approximate and subject to variation.</p> |
| Additional Information | No |
| Seasonal | Great Britain |
| Country of Origin | <p>We have links with over 40 Cumbrian farms, and where possible we try and use locally sourced meat in our product range. If we are not able to provide Cumbrian product you can rest assured that our product is still supporting British farmers.</p> |
