About Supplier	CaterPrep is part of the Caterite Group and makes use of the vast distribution network, enabling customers to use the service every week.
About Producer	CaterPrep currently produces over 200 different ready to use prepared lines to help busy chefs save time and money in the kitchen, without compromising on quality, specification, or freshness. The team is made up of a mixture of chefs, kitchen and manufacturing experienced members, who help us deliver the product range our customers are looking for.
Directions for use	Given the nature of the product range we recommend that once the product has been opened you wash it with water before use.
Why Buy Prep?	Buying Prep saves you time, money and enhances efficiency in your kitchens. Caterprep is operational 24 hours a day to ensure that the products our customers receive are as fresh as possible.
Storage Instructions	Ideal storage temperature 0.8°C – 5.8°C.
Ingredient Sourcing	We try to source our ingredients direct from local growers or at least UK suppliers as much as possible to help reduce food miles and our carbon footprint, whilst supporting UK suppliers.
Benchmarking	We regularly cook with our freshly prepared produce range in our demonstration kitchen to see how the product holds up during the cooking process and of course most importantly, to taste the flavour and to educate our team.
Additional Information	Our swedes are sourced through a grower in the North East where it is said to be the best growing conditions for swede. We source our carrots from local Lancashire growers around April and May, after which we have to look further afield to Scotland to fill the gap before moving onto European supply.
