

Hand Squeezed Fresh Yuzu Juice

Product Images

Description

Hand squeezed, fresh yuzu juice from Japan. No other ingredients mean this is 100% fresh yuzu juice. Nicknamed the king of citrus, yuzu is famously zesty with a floral flavour that tastes like a mandarin crossed with a grapefruit. The powerful, aromatic zing delivered by just a drop or two means this juice packs a big punch in salad dressings, vinaigrettes and sauces. Particularly good with fish it also makes an excellent marinade for chicken and will hold its flavour even when barbecued.
