

Special Ingredients Apple Flavour Drop

Product Images

Description

Flavour Drops are premium quality water soluble intense flavours which provide an exceptionally efficient method of adding flavour. They are a highly concentrated versatile multi use product for both food and liquid flavourings. They should be used sparingly 1 to 2 ml is ample to flavour approx 1 litre of base liquid. Each 30ml bottle contains approximately 800 drops. The drops are water based rather than oil based which means

they disperse well in most foods and drinks. They are ideal for flavouring cakes icings fondants ice cream sorbet cupcakes pastry salads sauces frostings ganache desserts cocktails drinks cream wine beer water sweets and more. Flavour Drops can also be used to enhance the flavour of a dish without changing the texture of the original product.
