Whether in a comforting cup of hot cocoa or incorporated into your baking endeavors, this premium cocoa powder ensures a rich, indulgent experience without the excess fat. |
| Directions for use | For Drinking: Use 1 teaspoon 5g of Freshers Reduced Fat Cocoa Powder for one cup of cocoa. Mix the Cocoa Powder with some of the milk into the cup till smooth and creamy. Heat the remainder of the milk in a saucepan until boiling, then pour into mug and stir. Sweeten to taste if required. For Cooking: Freshers Fat Reduced Cocoa Powder is ideal for baking just use according to individual recipe requirements |
| About Producer | Aimia are a food and drinks manufacturer located in Haydock, North West England. Founded in 1981, they started out manufacturing and supplying dry powder products such as coffee, hot chocolate and soups for sale into the vending industry. They now operate a broad product portfolio across retail, food service, vending, cash & carry in the UK and export markets. Two thirds of their sales come from hot drinks. |
